

# Fabric Design & Felting

## **Picture This** pattern from The Quilt Company

A novel approach to preserving memories! Choose fabric that coordinates with your theme, then pick pictures to photo transfer and plan to make several for gifts. We love this idea for anniversaries, birthdays or any celebration. Start planning now for a "this is your life" graduation quilt! (classes below)

## **Framing Your Family**

Create a keepsake for family and friends using a photo transferred to fabric and surrounded by pieced fabric framing. Your creation can be a pillow top or a small wall hanging! You'll learn how to transfer photos to fabric and how to design and calculate measurements for your frame. This is a planning class. If you would like help in cutting and sewing your project see Framing Your Family Workshop below. Taught by Ellen Suffern \$16

Everett Thu 10/22 6:00-8:00pm

## **Framing Your Family Workshop**

Now that you have copied your picture to fabric, planned and done the math to figure out your frame, you are ready to do the actual cutting and sewing. Almost done! The Framing Your Family class above is a prerequisite. Taught by Ellen Suffern \$20

Everett Thu 10/29 6:00-8:30pm

## **Photo Quilts**

Create a one of a kind photo quilt for yourself or as a very special gift. Betty will take you through the steps of transferring your pictures onto fabric and then incorporating those fabric photos in your quilt design. A great class for beginners as well as advanced quilters! You can bring your own quilt pattern to class or choose one that will be available at the first class. A great gift you can have done in time for the holidays! Taught by Betty Jones \$65

Northgate Mon 11/2, 9 & 16 6:00-9:00pm

## **Photo Transfer Wall Hanging**

Have you always wanted to learn how to transfer that special photo onto fabric? By the end of class you'll have a completed basic photo wall hanging - even if you have very little sewing experience! Or you can take the basic wall hanging home and embellish it with borders and other creative additions. Taught by Betty Jones \$48

Northgate Sun 10/11 11:00am-5:00pm

## **Stencil It!**

Stencils are in again and easier and better than ever! Learn how to use stencils on fabric, paper, wood and many different mediums. You won't believe the beautiful looks you can get with little effort! Taught by Bonnie Puhmann \$32

Everett Tue 12/1 5:00-9:00pm

## **Textile Painting & Screen Printing**

Jessica will cover simple at home techniques for screen-printing and textile painting on anything with a surface! Great for updating your wardrobe, embellishing tote bags, handbags and backpacks, designing your own fabric and many other uses. Teens and adults welcome! Taught by Jessica Slagle \$24

Northgate Sat 12/12 2:00-5:00pm

## **Beginning Fabric Painting**

No painting talent, no problem! You'll have fun learning to make beautiful fabric paintings with Jacquard dyes, paints, and discharge. We'll try stencils, freehand, rubs, and other methods and you'll leave class with one or more painted fabric pictures. Taught by Bonnie Puhmann \$32

Everett Sat 10/3 1:00-5:00pm

## **Intermediate Fabric Painting & Embellishment**

For those who love to create and experiment with fabric paint and different design styles! We'll take the beginning exploration into more depth and come up with more creative ideas to stretch your imagination for painting on fabric, clothing or quilts. We'll create and enjoy designing and sharing ideas. Taught by Bonnie Puhmann \$40

Everett Sat 11/7 & 14 2:30-5:00pm

## **Felt Painting and Wool Applique**

In this class we will explore different felting techniques to make art for your walls, clothing, pillows or even furniture. We will use the dry needle felting techniques to work on a project in class. Taught by Heather Long \$24
