

Quilting 204: Curves Advanced Beginner

Curves can seem intimidating to sew but don't have to be. Whether making a runner to brighten your table or a pillow as a gift, participants will use the Quick Curve Ruler to gain skills making curves in fabric.

Materials will be provided for practice before you start creating your project. Participants will be patting themselves on the back with their newly acquired skills.

During class we will focus on sewing curves and piecing the flower blocks. Supplies are listed for the entire project however you will need to complete it on your own.

Prerequisite: Quilting 101 or equivalent experience.
