Cut yarn, leaving a 7" tail. Finish crown seam using the Russian Graft. Pull tight to secure. Work in loose ends.

Wet block hat. Pin to size, allow to dry flat.

Russian Graft:

Place first 8 (9) sts onto a DPN for needle 1. Place next 8 (9) sts onto a second DPN for needle 2. Parallel the DPN's and turn work so that the working yarn is on the left side.

Set-up

Back needle: Insert the crochet hook purl wise through the first stitch on the needle and slide it off the needle.

Front needle: Insert the crochet hook purl wise through the first stitch on the needle and slide it off the needle. Pull this second stitch through the first stitch on the hook, so only 1 loop remains on the crochet hook.

Repeat:

1. Back needle: Insert the crochet hook knit wise through the first stitch and slide it off the needle.
2. Pull this last stitch through the first stitch on the hook, so only 1 loop remains on the crochet hook.
3. Front needle: Insert the crochet hook knit wise through the first stitch and slide it off the needle.
4. Pull this last stitch through the first stitch on the hook, so only 1 loop remains on the crochet hook.

Repeat steps 1-4 until all stitches have been worked. There will be 1 stitch remaining on the crochet hook. Pull the yarn tail through this last stitch to secure.
