

## Upcycling 201: T-Shirt Wrap Skirt Advanced Beginner

If you ever wondered, "What should I do with all these graphic t-shirts that I still like, but no longer wear?" They can be transformed into a new garment that will give them new life. The act of creating something new out of something old can be a rewarding experience, keeping your garments out of the landfills and saving you money. All you need is 6-8 graphic t-shirts to upcycle and a few basic sewing supplies. If you do not have t-shirts to upcycle already in your stash, consider rescuing some from a secondhand shop.

**Upcycling** the process of reusing discarded objects or materials in such a way as to create a product of higher quality or value than the original.

*Prerequisite: Knits 201A/201B or equivalent experience.*
