

Garment 219: Quilted Vest Intermediate

Are you a garment maker who's curious about quilting but not ready to dive in headfirst? Or maybe you're a quilter who has too many quilts and is looking for another way to display your piecing? Quilted vests are a wonderful way to combine both arts to create a truly unique garment without feeling overwhelmed with new techniques. Depending on your skill background, you can include a quilt block, piecing or yardage.

If you've never quilted before, the easiest way to start is by using yardage with a fun print. You will learn the basics of making a "quilt sandwich" and sewing all the layers together.

If you've done some quilting, you can incorporate a quilt block into the back of your vest. Vest size will determine how large a block you can use, but it should be about 8-12 inches finished.

If you've done a lot of quilting, you can piece larger sections such as the pockets or even the entire vest.

Prerequisite: Garment 201 PJ Pants or equivalent experience.
