

Cosplay 201: Kigurumi (Animal Onesie) Advanced Beginner/Intermediate

Are you interesting in getting started with cosplay or just want a fun animal onesie to wear? The Kigurumi pattern from //Cut/Sew is a great place to start. It includes pattern pieces to make a cat, rabbit or bear, however during class we will discuss how to use it as a base for other animals.

On the first day we cut out our patterns and if wanted, make modifications to personalize your project. This may include creating additional pattern pieces for other animals, such as a fox store sample. You will also have the chance to try it on to decide if you want to make any adjustments to how it fits. (Please note that the suit is supposed to have a loose fit.) We will next start cutting out your fabric, paying attention to grainline and if your fabric has additional attributes to pay attention to during cutting.

On the second day we will continue working on our onesies, sewing the pieces together and making adjustments as necessary. We will discuss seam finishes and techniques to both make the process easier and give you an amazing looking result.

* If you would like facial details on your hood to be embroidered, you will learn more about the options after signing up for class. *Please note this is exclusive to the class and is not part of the ongoing embroidery services we offer.*

Prerequisite: Garment 201 or equivalent experience.

SUPPLY LIST FOR CLASS

- Cut Sew 010 // Kigurumi pattern
 - Please note that this is a one size pattern, however sizing is very generous and we will discuss how to adjust it to fit you.
- Fabric
 - Cuddle, fleece or flannel
 - See pattern for required yardage.
 - Cuddle and fleece won't shrink so there is no need to prewash it.
 - **If using flannel, please make sure to PREWASH and iron your fabric prior to class. Flannel often does a second shrink so consider washing it twice.**
 - The pattern also lists felt as an option, but we don't recommend using it if you want to be able to wash the onesie in the future.
 - Washing does terrible things to the felt!
- Elastic
 - 1 ½ yards of 1 ½" – 2" wide knit elastic
 - The store sample used 1 ½" wide elastic for the cuffs
- Matching thread
