

Sewing 207: Splash Apron Advanced Beginner/Intermediate

An apron is a must to keep your clothes clean during messy activities such as cooking, crafting or gardening. An even better apron will keep any liquids from soaking through. Learn how to make a quick and easy apron using Splash Fabric's laminated cotton which combines a cotton base with a fun print and a waterproof, non-toxic and food safe coating. We will use bias binding to finish the raw edges for a nice clean finish.

Splash Fabrics is a Seattle based company focused on creating eco-friendly, non toxic fabrics and products by makers for makers.

Prerequisite: Sewing 101 or equivalent experience.
