Holiday 102: Fabric Ornaments
Beginner

Learn how to make beautiful and unique fabric ornaments with no sewing skills required! Using folded 2 ½" squares you will use pins to create detailed patterns. In class you will learn how to create two different patterns that you will be able to finish up at home. (You focus on half of an ornament at a time.)

This project is perfect for scraps, Fat Quarters and Jelly Rolls. Please keep in mind that solids or small patterns work best for this project – if a print is too large it will just look like large masses of color and will make the pattern you create more difficult to see.

Included in the class cost is a kit fee of $5.00. The kit includes two 3" smooth Styrofoam balls which form the base of the ornaments and two hanging screws.
